Why work with Team NBTT?

Prevention of disease is at the heart of all we do. We create partnerships with our patients, the team experiencing the same excitement as the patients do in seeing their healthy, beautiful smiles and skin develop.

We provide an encouraging environment to thrive and learn new skills, enhancing your job satisfaction and career prospects

We provide clear systems of work so that you understand exactly what is expected of you. These systems are designed to ensure that every member of staff is given a platform for their ideas and wishes to be heard.

We provide practice based CPD for many courses and fund others by request if they align with our practice objectives.

We offer sedation

We have a referral based endodontic clinic.

We offer facial aesthetics with our own branded clinic

Every practice says they are a friendly place to work. We really are.

The Principal's core values are kindness, fairness, respect and understanding others.

We take our work very seriously, but we still have fun. Trips out, social events and Christmas parties are organized with enthusiasm.

Our reputation in the local area and beyond is excellent, and we are very proud of that. Don't take our word for it – check out our google reviews and social media pages.

To deliver the best service to our patients we are always looking for the best team members. Even when we are not actively recruiting, we are interested in speculative applications as we have ambitious plans for expansion.
